Angel Academy Preschool is a nine month program that follows the Bismarck Public school calendar. The children are encouraged to learn through activities that are appropriate to their ages and individual stages of development. The children will be able to choose among several activities and can play alone or in small groups. While the whole group will come together for songs, stories, or other circle time activities, as well as projects. At Angel Academy We will encourage the children to experience the world around them and to develop good relationships with their peers and teachers at school. Childhood lasts for such a short time. Through a positive preschool experience, we hope to enhance this precious time in your child's life.

Angel Academy Preschool is licensed under Burleigh County Social Services. Our Preschool is located in the Bismarck Community Church, 1617 East Michigan Avenue, Bismarck, where we rent the facilities. As well as owning and directing the preschool, we will also teach full time in the classroom. We have had many years experience with working with children. We look forward to meeting each of you.
